## Ethanol Today Magazine

Ethanol Today magazine is respected in the industry as a leading source of timely, in-depth information about the people, policies and issues driving ethanol production and use in America. It's published six times per year and the print edition has a circulation of around 2,000 per issue, including delivery to all U.S. ethanol production plants, all ACE members, industry friends, and all members of Congress, not to mention a wide variety of industry events throughout the year. Ethanol Today is also available in a fully-integrated digital format to the public at [www.ethanoltoday.com](http://www.ethanoltoday.com).
